

CHRIST ON CAMPUS

Higher Things Campus Ministry

MAY 24-26, 2011

University Lutheran Chapel Boulder, CO

A Great Lineup!

Whether you are a pastor, vicar, college student, or a laymen helping with campus outreach, or you are just plain interested in learning more about campus ministry, this conference is for you.

We are pleased to once again, visit one of our Christ on

Campus Chapters and have three outstanding speakers who will address different topics important to those on or near campus.

There will also be lots of opportunities to share ideas and resources with others at the forefront of campus ministry. And, of course, there will be plenty of chances to socialize and simply get to know others with whom you will be able to network long after you have returned home.

Campus Ministry Basics

Throughout the conference we will have several workshops on issues related to the nuts and bolts of campus ministry. This is a great opportunity for those who want to learn the basics of engaging in campus ministry and gain great tips and ideas for a variety of Christ on Campus contexts.

The Main Speakers

Rev. Dr. Lawrence Rast

"The Future of Lutheranism: Challenges and Opportunities for Campus Ministry"

Dr. Lawrence R. Rast, Jr. is the Academic Dean at Concordia Theological Seminary and Professor of American Christianity and American Lutheranism.

Dr. E. Christian Kopff
