

FROM FERTILIZATION TO FOREVER

St. Paul's Lutheran Church in Ft. Wayne, IN
January 5-6, 2024

Harnessing captivating, full-color, three-dimensional computer animation, we embark on a profound journey into the intricate biological science of how God intricately knits together human beings in utero. This exploration extends beyond the development of embryos and fetuses to encompass the entirety of human existence, fostering meaningful conversations about the sanctity of life, touching upon profound matters such as capital punishment, overpopulation, sexual assault, child abuse, and societal responsiveness, all within the divine context of creation.

Pastor Salemink has served Lutherans For Life since 2015. After growing up in Iowa, he has resided in most of the midwestern states and now makes his home in St. Louis. His prior parish experience in Minnesota and Indiana includes a decade at a large congregation with a vibrant day school and lots of catechism classes, chapel services, and Bible studies. A father of three boys, fan of sports and music, and avid runner, he writes regularly and speaks nationwide - including youth gatherings and teachers' conferences - equipping Lutherans and their neighbors to be Gospel-motivated voices For Life.
