Discussion questions for AFTER confirmation class

Three words continue to come up in the meanings of the commandment and the Close of the Commandments: fear, love, and trust.

- What is the significance of these three words and why do we find them throughout all of the commandments?

We fear God’s wrath because we know He is able to “punish children for the sins of the fathers.” We also know that Christ has fulfilled the Law and the punishment that goes with it, so we love and trust Him and “gladly do what He commands.”
