INTRODUCTION TO THE CATECHISM

Unit 1: Lesson 1

Guided Notes

1. What is confirmation?

Confirmation isn't graduation from Sunday School. It's an opportunity to formally confirm that the faith into which you were baptized is the faith that you now confess. And in order to confess that faith from an informed basis, we take the time to teach it over the next year (or two or three!).

As Lutherans, we have three main resources that not only teach the content of our Christian faith, but also reinforce it and support that faith for the rest of our lives. **Can you guess what those resources are?**

2. What is the Catechism?

On confirmation day, you will be asked, "Do you confess the doctrine of the Evangelical Lutheran Church, drawn from the Scriptures, as you have learned to know it from the *Small Catechism* to be faithful and true?" (LSB 273)

You probably don't know much about the *Small Catechism* yet, but if you've been attending church regularly, you probably know more of it than you realize; like the Lord's Prayer and Apostles' Creed, and maybe a few of the Ten Commandments! The *Small Catechism* is a book that contains many additional questions and answers that we'll use in class, but the main parts are listed on your Guided Notes worksheet.

_____ : These are how we receive gifts from God. Did you realize that was going on during Communion and Baptism?

5. Who wrote the Bible?

_____ wrote the Bible, using men inspired by the _____.

6. Where does human reason fit when understanding Scripture?

Human reason has limits, therefore we _____ reason through these things on our own: We need faith first. With faith, we can reason through “the _____ who is from _____” and not through “the _____ of the _____.”

What are the two uses of reason?

| | |
|---|--|
| _____ - letting human reason rule, or be the deciding argument in all matters. Similar to a magistrate or judge sitting or ruling over a courtroom. | _____ - letting reason serve, or minister, the Scripture. This reason sits below and submits to the Scripture. This is the proper use of reason when wrestling with Scripture. |
