How Strange the Morn

5. The liar speaks his devilish words,
That are so believably true:
"You sinful men deserve only death,
God's judgement and wrath are your due."
"Rejoice and sing; for Jesus is living!
Rejoice, cry out; for He is alive!"
The Serpent's head is crushed by a heel;
He never again to accuse you.

6. That final and magnificent day
When Christ comes again in His glory,
Will be the day when all tombs are split
And we are all raised in the body.
"Rejoice and sing; for Jesus is living!
Rejoice, cry out; for He is alive!"
Our Sabbath Rest has returned again.
We're risen and we have the vict'ry!
